News Release

Release #20 - 2020

Monument Announces Closing of the Joint Venture Arrangement for the Tuckanarra Project in Western Australia

Vancouver, B.C., December 24, 2020, Monument Mining Limited (TSX-V: MMY and FSE: D7Q1) "Monument" or the "Company" is pleased to announce that the Transaction of the Joint Venture Arrangement with Odyssey Gold Ltd (ASX: ODY) has closed, ODY now owns 80% of the Tuckanarra Gold Project ("Tuckanarra") leaving Monument with a 20% free carry interest.

Tuckanarra is located in the Murchison Goldfield. The JV arrangement allows Tuckanarra exploration to be advanced right away; and provides Monument the opportunity to have future ore produced by ODY to be fed into the Burnakura gold processing plant.

At closing, Monument has received the first payment of AUD\$2,000,000, leaving AUD\$2,000,000 cash payable due within 6 months. A AUD\$1,000,000 contingency cash payment may become payable within 36 months of completion of the acquisition, conditioned upon the delineation of an independently assessed mineral resource in accordance with the JORC Code (2012 Edition) of at least 100,000 ounces of gold at a minimum resource grade of 1.55g/t in relation to Tuckanarra Gold Project. The cash proceeds will be used for Murchison Gold Projects development and working capital.

About Monument

Monument Mining Limited (TSX-V: MMY, FSE: D7Q1) is an established Canadian gold producer that operates the 100% owned Selinsing Gold Mine in Malaysia. Its experienced management team is committed to growth and is advancing several exploration and development projects including the Mengapur Copper and Iron Project, in Pahang State of Malaysia, and the Murchison Gold Projects comprising Burnakura, Gabanintha and Tuckanarra in the Murchison area of Western Australia. The Company employs approximately 200 people in both regions and is committed to the highest standards of environmental management, social responsibility, and health and safety for its employees and neighboring communities.

Forward-Looking Statement

This news release includes statements containing forward-looking information about Monument, its business and future plans ("forward-looking statements"). Forward-looking statements are statements that involve expectations, plans, objectives or future events that are not historical facts and include the Company's plans with respect to its mineral projects and the timing and results of proposed programs and events referred to in this news release. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". The forward-looking statements in this news release are subject to various risks, uncertainties and other factors that could cause actual results or achievements to differ materially from those expressed or implied by the forward-looking statements. These risks and certain other factors include, without limitation: risks related to general business, economic, competitive, geopolitical and social uncertainties; uncertainties regarding the results of current exploration activities; uncertainties in the progress and timing of development activities; foreign operations risks; other risks inherent in the mining industry and other risks described in the management discussion and analysis of the Company and the technical reports on the Company's projects, all of which are available under the profile of the Company on SEDAR at www.sedar.com. Material factors and assumptions used to develop forward-looking statements in this news release include: expectations regarding the estimated cash cost per ounce of gold production and the estimated cash flows which may be generated from the operations, general economic factors and other factors that may be beyond the control of Monument; assumptions and expectations regarding the results of exploration on the Company's projects; assumptions regarding the future price of gold of other minerals; the timing and amount of estimated future production; the

expected timing and results of development and exploration activities; costs of future activities; capital and operating expenditures; success of exploration activities; mining or processing issues; exchange rates; and all of the factors and assumptions described in the management discussion and analysis of the Company and the technical reports on the Company's projects, all of which are available under the profile of the Company on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking statements, except in accordance with applicable securities laws.
